

Park Permit Information

Are you planning an event in Wompatuck State Park and wondering if you need a permit? The answer is YES! Please keep reading!

- If you are planning an event for **less than 50 people**, you need to contact the Wompatuck State Park Supervisor to obtain a **Recreational Use Permit**. You can reach the park supervisor at 781-749-7160.
- If you are planning an event for **50 or more people**, you need to obtain a **Special Use Permit**. There is a \$35 fee per event, and liability insurance is required for all special use permits. The instructions and application for a Special Use Permit can be found here on this MassParks webpage: <http://www.mass.gov/eea/agencies/dcr/massparks/permits-rentals/>

Once you've obtained an appropriate permit for your event, send the information to our [webmaster](#) and we'd be happy to add your event to the Friends of Wompatuck calendar.
