Secretary's report, accepted

Membership Chair Report, Sandy Cole, We have about 90 members on our list. So far 43 have renewed and 49 have not.

Webmaster Report, Vicki Schow, not much has changed; we've added the last newsletter and some trail maintenance photos.

Trail Car, Tyler Eusden, Bridge at B15 and B7 needs covers. We have a trail Day scheduled for 8/21. NW5 bridge needs repairs other than that we should concentrate on cutbacks. The Trail Committee meeting with the Freeride group was successful.

Steve Gammon reported that his son Brenton's volunteer internship is going well and a presentation for the Conservation Commissions should be ready soon.

Dan Barry will have a talk on the history of Wompatuck at the next meeting.

Steve Cobble and Steve Gammon are looking into sheds. After much discussion it was decided to supplement the SE MASS NEMBA Recreational Trail Grant that we'd won with additional FOW funds to purchase a better shed.

Eric Oddleifson's motion to order w5 trail jerseys and 6 jackets was approved for Wompatuck Trail Watch volunteers. Brent Grignon was introduced as a new TWW volunteer.

Mark & Vicki talked about the landmine Classic fundraiser. Discussions of the South Field layout, the need for volunteers and other issues followed.

Steve Gammon reported that the DCR's Commissioner Richard Sullivan visited the park and that the Rail Trail project is on his radar.

The stone dust will be spread out near the horse bridge.

More arrows will be ordered for the Landmine

There will be a final Landmine planning meeting on Thursday 9/2 at BikeBarn in Whitman at 7:00 PM.

The next FOW meeting will be on 9/20.
